Sitting At The Feet Of Jesus

Where The Soul Never Dies

(Public Domain)

To Canaan's land I'm on my way
Where the soul of man never dies
My darkest night will turn to day
Where the soul of man never dies

No sad farewells
No tear-dimmed eyes
Where all is love
And the soul never dies

A rose is blooming there for me
Where the soul of man never dies
And I will spend eternity
Where the soul of man never dies

Well, I'm on my way to that fair land
Where the soul of man never dies
Where there will be no parting hand
And the soul never dies

No sad farewells
No tear-dimmed eyes
Where all is love
And the soul never dies

No sad farewells
No tear-dimmed eyes
Where all is love
And the soul never dies
And the soul of man never dies

Since Jesus Came Into My Heart

(Public Domain)

What a wonderful change in my life has been wrought
Since Jesus came into my heart
I have light in my soul for which long I have sought
Since Jesus came into my heart

Since Jesus came into my heart
Since Jesus came into my heart
Floods of joy o'er my soul
Like the sea billows roll
Since Jesus came into my heart

I have ceased from my wandering and going astray
Since Jesus came into my heart
And my sins, which were many, are all washed away
Since Jesus came into my heart

Since Jesus came into my heart
Since Jesus came into my heart
Floods of joy o'er my soul
Like the sea billows roll
Since Jesus came into my heart

I'm possessed of a hope that is steadfast and sure
Since Jesus came into my heart
And no dark clouds of doubt now my pathway obscure
Since Jesus came into my heart

Since Jesus came into my heart
Since Jesus came into my heart
Floods of joy o'er my soul
Like the sea billows roll
Since Jesus came into my heart

I shall go there to dwell in that City, I know
Since Jesus came into my heart
And I'm happy, so happy, as onward I go
Since Jesus came into my heart

Since Jesus came into my heart
Since Jesus came into my heart
Floods of joy o'er my soul
Like the sea billows roll
Since Jesus came into my heart

Since Jesus came into my heart
Since Jesus came into my heart
Floods of joy o'er my soul
Like the sea billows roll
Since Jesus came into my heart
Since Jesus came into my heart

Sitting At The Feet Of Jesus

(Public Domain)

Sitting at the feet of Jesus
Oh, what words I hear Him say
Happy place so near, so precious
May it find me there each day
Sitting at the feet of Jesus
I would look upon the past
For His love has been so gracious
It has won my heart at last

Sitting at the feet of Jesus
Where can mortals be more blest
There I lay my sins and sorrows
And, when weary, find sweet rest
Sitting at the feet of Jesus
There I love to weep and pray
While I from His fullness gather
Grace and comfort every day

Bless me; O, my Savior, bless me
As I'm waiting at thy feet
Oh, look down in love upon me
Let me see thy face so sweet
Give me, Lord, the mind of Jesus
Keep me holy as He is
May I prove I've been with Jesus
Who is all my righteousness
And we prove we've been with Jesus
Who is all our righteousness

5 Smooth Stones

(Rocky Lowther)

Goliath is a comin'
He's comin'
To take everything I own
He's comin'
But I'm headed to that river
For five smooth stones
He's girded up with armour
He's comin'
A shield and sword in hand
He's comin'
He seems so big and mighty
But on the earth he'll land

I'm a pickin' up five smooth stones
For the sling that's in my hand
Each stone is J-E-S-U-S
There's power in this Man
I'm a pickin' up five smooth stones
We'll break the giant's bones
There's power, and there's victory
In five smooth stones

I'm in the Lord's great army
He's comin'
To fight the enemy
He's comin'
I heard there's a great big giant
That's come for victory
But I've been to the great river
He's comin'
Got five smooth stones in hand
He's comin'
The enemy is tiny
And on the ground he'll land

I'm a pickin' up five smooth stones
For the sling that's in my hand
Each stone is J-E-S-U-S
There's power in this Man
I'm a pickin' up five smooth stones
We'll break the giant's bones
There's power, and there's victory
In five smooth stones

I'm a pickin' up five smooth stones
For the sling that's in my hand
Each stone is J-E-S-U-S
There's power in this Man
I'm a pickin' up five smooth stones
We'll break the giant's bones
There's power, and there's victory
In five smooth stones
I'm pickin' up five smooth stones
I'm pickin' up five smooth stones
I'm pickin' up five smooth stones

I'm Redeemed

(Public Domain)

I'm redeemed by love divine
Glory, glory, Christ is mine
All to Him I now resign
I have been, I have been redeemed

Sweet is the song I am singing today
I'm redeemed, I'm redeemed
Trouble and sorrow have vanished away
I have been, I have been redeemed

Oh, I'm redeemed by love divine
Glory, glory, Christ is mine
All to Him I now resign
I have been, I have been redeemed

Great is my joy now as onward I go
I'm redeemed; I'm redeemed
All the way homeward my praises shall flow
I have been, I have been redeemed

I'm redeemed by love divine
Glory, glory, Christ is mine
All to Him I now resign
I have been, I have been redeemed

Precious indeed is my Savior to me
I'm redeemed; oh, I'm redeemed
Happy in Glory someday I shall be
I have been, I have been redeemed

I'm redeemed by love divine
Glory, glory, Christ is mine
All to Him I now resign
I have been, I have been redeemed

I'm redeemed by love divine
Glory, glory, Christ is mine
All to Him I now resign
I have been, I have been redeemed
All to Him I now resign
I have been, I have been redeemed

Just Over In The Glory Land

(Public Domain)

I've a home prepared where the saints abide
Just over in the Glory Land
And I long to be by my Savior's side
Just over in the Glory Land

Just over in the Glory Land
I'll join the happy angel band
Just over in the Glory Land
Just over in the Glory Land
There with the mighty host I'll stand
Just over in the Glory Land

I am on my way to those mansions fair
Just over in the Glory Land
There to sing God's praise and His glory share
Just over in the Glory Land

Oh, what a joyful thought that my Lord I'll see
Just over in the Glory Land
And with kindred saved, there forever be
Just over in the Glory Land

Just over in the Glory Land
I'll join the happy angel band
Just over in the Glory Land
Just over in the Glory Land
There with the mighty host I'll stand
Just over in the Glory Land

Oh, with the blood-washed throng I will shout and sing
Just over in the Glory Land
Glad Hosannas to Christ, the Lord and King
Just over in the Glory Land

Well it's over in the Glory Land
I'll join the happy angel band
Just over in the Glory Land
Well it's over in the Glory Land
There with the mighty host I'll stand
Just over in the Glory Land

Just over in the Glory Land
I'll join the happy angel band
Just over in the Glory Land
I said over in Glory Land
There with the mighty host I'll stand
Just over in the Glory Land
Just over in the Glory Land

Giants In The Land

(Danny Mills)

There's giants in the land
They're coming after you
So use the blood of Jesus
They won't know what to do
As David killed Goliath
So use your slingshot, too
So fight, fight, fight
With the blood of Jesus

Now the men that went with Caleb
Said the people are stronger than we
For we're not able to overcome
The giants that you see
So Caleb told the people
Let's go and possess the land
For we are able to overcome
Those giants in the land

There's giants in the land
They're coming after you
So use the blood of Jesus
They won't know what to do
As David killed Goliath
So use your slingshot, too
So fight, fight, fight
With the blood of Jesus

The giants didn't bother David
For his eyes were fixed on God
Not even the lions nor the bears
Could frighten David's heart
Oh, the Lord had given him the power
Over the enemy where he trod
Instead of measuring self with the giant
He measured the giant to God

There's giants in the land
They're coming after you
So use the blood of Jesus
They won't know what to do
As David killed Goliath
So use your slingshot, too
So fight, fight, fight
With the blood of Jesus

There's giants in the land
They're coming after you
So use the blood of Jesus
They won't know what to do
As David killed Goliath
So use your slingshot, too
So fight, fight, fight
I'm gonna fight
You're gonna fight
Oh, we're gonna fight
With our Lord, our Lord

The Lily Of The Valley

(Public Domain)

I have found a friend in Jesus; He's everything to me
He's the fairest of ten thousand to my soul
The Lily of the Valley, in Him alone I see
All I need to cleanse and make me fully whole
In sorrow He's my comfort; in trouble He's my stay
He tells me every care on Him to roll
He's the Lily of the Valley, the Bright and Morning Star
He's the fairest of ten thousand to my soul

He all my grief has taken and all my sorrows borne
In temptation He's my strong and mighty tower
I have all for Him forsaken, and all my idols torn
From my heart, and now He keeps me by His power
Though all the world forsake me, and Satan tempt me sore
Through Jesus I shall safely reach the goal
He's the Lily of the Valley, the Bright and Morning Star
He's the fairest of ten thousand to my soul

He will never, never leave me nor yet forsake me here
While I live by faith and do His blessed will
A wall of fire's about me; I've nothing now to fear
With His manna, He my hungry soul shall fill
Well, then sweeping up to Glory to see His blessed face
Where rivers of delight shall ever roll
He's the Lily of the Valley, the Bright and Morning Star
He's the fairest of ten thousand to my soul

Then sweeping up to Glory to see His blessed face
Where rivers of delight shall ever roll
He's the Lily of the Valley, the Bright and Morning Star
He's the fairest of ten thousand to my soul
He's the fairest of ten thousand to my soul

The Eastern Gate

(Public Domain)

I will meet you in the morning
Just inside the Eastern Gate
Then be ready, faithful pilgrim
Lest with you it be too late

I will meet you in the morning
I will meet you in the morning
Just inside the Eastern Gate over there
I will meet you in the morning
I will meet you in the morning
I will meet you in the morning over there

You got to keep your lamps all trimmed and burning
For the Bridegroom watch and wait
For He'll be with us at that meeting
It's just inside the Eastern Gate

Oh, the joy of that glad meeting
With the saints who for us wait
And what a blessed, happy meeting
It's just inside the Eastern Gate

I will meet you in the morning
I'm gonna meet you in the morning
Just inside the Eastern Gate over there
I'm gonna meet you in the morning
I'm gonna meet you in the morning
I will meet you in the morning over there

I will meet you in the morning
Oh, I'm gonna meet you in the morning
Just inside the Eastern Gate over there
I will meet you in the morning
Yes, I'm gonna meet you in the morning
I will meet you in the morning over there
I will meet you in the morning over there

Just A Little While To Stay Here

(Public Domain)

Just a little while to stay here
Just a little while to wait
Just a little while to labor
In the path that's always straight and narrow
Just a little more of trouble
In this old world's sinful state
Then we'll enter Heaven's portals
Sweeping through the Pearly Gates

Soon this life will all be over
And our pilgrimage will end
Soon we'll take our heavenly journey
Be at home again with friends
Heaven's gates are standing open
Waiting for our entrance there
Some sweet day we're going over
All the beauties there to share

Just a little while to stay here
Just a little while to wait
Just a little while to labor
In the path that's always straight and narrow
Just a little more of trouble
In this old world's sinful state
Then we'll enter Heaven's portals
Sweeping through the Pearly Gates

Soon we'll meet again our loved ones
And we'll take them by the hand
Soon we'll take them to our bosom
Over in the Promised Land
Then we'll be at home forever
Throughout all eternity
What a blessed, blessed morning
That eternal morn will be

Just a little while to stay here
Just a little while to wait
Just a little while to labor
In the path that's always straight
Just a little more of trouble
In this old world's sinful state
Then we'll enter Heaven's portals
Sweeping through the Pearly Gates

Oh, it's just a little while to stay here
Just a little while to wait
Just a little while to labor
In the path that's always straight and narrow
Just a little more of trouble
In this old world's sinful state
Then we'll enter Heaven's portals
Sweeping through the Pearly Gates
Then we'll enter Heaven's portals
Sweeping through the Pearly Gates

New Name Written In Glory

(Public Domain)

Oh, I was once a sinner, but I came
Pardon to receive from my Lord
This was freely given, and I found
That He always kept His Word

Oh, there's a new name written down in Glory
And it's mine; oh, yes, it's mine
And the white-robed angels sing the story
A sinner has come home
For there's a new name written down in Glory
And it's mine; oh, yes, it's mine
With my sins forgiven I am bound for Heaven
Never more to roam

I was humbly kneeling at the Cross
Fearing not but God's angry frown
When the heavens opened, and I saw
That my name was written down

In the Book 'tis written, "Saved by grace"
Oh, the joy that came to my soul
Now we are forgiven, and we know
By His blood we are made whole

Oh, there's a new name written down in Glory
And it's mine; oh, yes, it's mine
And the white-robed angels sing the story
A sinner has come home
For there's a new name written down in Glory
And it's mine; oh, yes, it's mine
With my sins forgiven I am bound for Heaven
Never more to roam

There's a new name written down in Glory
And it's mine; oh, yes, it's mine
And the white-robed angels sing the story
A sinner has come home
For there's a new name written down in Glory
And it's mine, oh, yes, it's mine
With my sins forgiven I am bound for Heaven
Never more to roam
With our sins forgiven we are bound for Heaven
Never more to roam

Stand On The Rock

(Rocky Lowther)

You know the devil's gonna fight
I've got the power
You must be doin' something right
In this last hour
We've gotta fight until we win
Through the blood of Jesus
We're gonna conquer everything
He brings our way
We're gonna stand on the rock of Jesus
Night and day

I'm gonna stand on the rock
The rock of Jesus
Stand on the rock of Jesus
I'm not building on sand
I'm building on a firm foundation
That will never fall
I'm gonna stand on the rock of Jesus
Through it all

You know the valleys are so deep
My God is able
Oh, but the devil's talk is cheap
I've got the Bible
Through His Word we'll make it out
With a mighty shout
We're gonna climb the mountaintop
And this I say
We're gonna stand on the rock of Jesus
Night and day

I'm gonna stand on the rock
The rock of Jesus
Stand on the rock of Jesus
I'm not building on sand
I'm building on a firm foundation
That will never fall
I'm gonna stand on the rock of Jesus
Through it all

I'm gonna stand on the rock
Stand on the rock of Jesus
I'm building on a firm foundation
That will never fall
I'm gonna stand on the rock of Jesus
Through it all

I'm building on a firm foundation
That will never fall
I'm gonna stand on the rock of Jesus
Stand on the rock of Jesus
Stand on the rock of Jesus
Through it all
